Subject: Radmax Communication, FCC ID: UW8-RAD500, Assessment NO.: AN07T6495, Notice#1

Question #1: The proposed FCC ID label format does not include FCC15.19(c) statement. Please note FCC15.19 statement must be on the label except for palm-size devices. Please revise the ID label format.

Ans: Please see the revsised label format.

Question #2: The test report indicates Spectrum Analyzer's calibration is past due. Please explain.

Ans: The test report is revised.

Question #3: The user manual - 1 (page 5 of 45) indicates "This EUT is in compliance with SAR for general population /uncontrolled exposure limits in ANSI/IEEE C95.1-1999 and had been tested in accordance with the measurement methods and procedures specified in OET Bulletin 65 Supplement C", which is not applicable to this mobile device. Please delete it from the manual.

Ans: Client remove this sentence from the user manual.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
